The project area I plan to explore:

The question/s I plan to explore and answer. (Try out the Crazy Question Challenge if you are having trouble coming up with your question.) <http://columbia.uwex.edu/4-h-youth-development/4-h-forms/4-h-expo/>

My plan to explore and find an answer to my question:

(Possible methods might include: Research, Experiment, Interviews, Job Shadow, Create a prototype for an invention, etc.)

My plan to exhibit the answer to my question:

(Display, PowerPoint, Prototype, Photos, etc.)

My plan for a short verbal presentation at the EXPO event:

(Be sure to practice your presentation ahead of time and be prepared for questions.)
