## 4-H Foods Revue

- \* Foods Revue is for you -- foods, food preservation, bread, Exploring and Cloverbud project members!
- \* Guidelines—What do you do?
  - ⇒ Foods Project Members: select a favorite food to prepare.
  - ⇒ Breads Project Members: select a favorite yeast bread to prepare.
  - ⇒ Foods Preservation Project Members: select a favorite preserved food to prepare.
  - ⇒ Foods, Breads, and Foods Preservation Members: plan a menu for your selected food item; plan a table covering, centerpiece, and table setting/service for the menu; and bring one serving of the selected food item.
  - ⇒ Cloverbuds and Exploring Project Members: select your favorite nutritious snack to prepare (no prepackaged foods / mixes); practice preparing it for yourself and for others; and select dishes, silverware to serve the snack, and a placemat or tablecloth. A centerpiece is optional.
  - ⇒ Setup may begin @ 10:30 am.
- \* A tentative schedule for Foods Revue is 11:00 a.m. for Cloverbuds, Explorers, Foods 1, and Foods 2 and then 11:30 a.m. for Foods 3, Foods 4, Food Preservation, and Breads.

## 4-H Food Activity

- \* Food Activity is for you – foods, food preservation, and breads project members!
- \* Guidelines—What to do?
  - ⇒ Choose a foods-related activity or prepare a foods-related experiment or comparison that answers a question or questions.
  - ⇒ Complete the activity or experiment.
  - ⇒ Plan a display (similar to a science experiment display) to show the steps followed to answer the question/s. The display should contain the actual examples of your experiment.
- \* Food Activity will follow Foods Revue at approximately noon.
