

COLUMBIA COUNTY 4-H LEADER'S ASSOCIATION

STANDING RULES

Revised 1/25/2018

Youth and adults participating in the Columbia County 4-H program must be in compliance with all policies and program safety regulations as outlined by the Wisconsin 4-H Youth Development and Columbia County 4-H. These standards apply to all 4-H activities, regardless of location.

Columbia County 4-H Club in Good Standing – In order to be a 4-H club in good standing in Columbia County:

1. Each club will help staff the Eat Stand during the Columbia County Fair.
2. Each club will provide an adult representative at a minimum of four council meetings during the 4-H year running October 1st – September 30th. Any parent or adult leader is eligible to fulfill the requirement.
3. Each club must have one representative at the Mandatory Annual Training and complete their Annual Charter paperwork.
4. Each club will participate in their designated rotation for making BBQ, cleaning the Eat Stand and providing refreshments at Awards Day.
5. A club not fulfilling these stated requirements will not be considered in good standing, resulting in:
 - a. The Leader's Association will not pay for leader literature or leader training the following 4-H year.
 - b. Participation restrictions follow the members of a club that is determined to be "not in good standing" no matter which Columbia County 4-H club the member joins the following year even if the not in good standing club disbands.
 - c. Club members will not be eligible to participate in the M.E.S. process the following 4-H year.
 - d. Club members will not be eligible to participate at events requiring Extension Educator approval the following 4-H year. (*Examples include: State Fair, State Horse Show, M.E.S. Trips/Awards, State Dog Show*)
 - e. A hearing with the Executive Committee of the Columbia County 4-H Leader's Association will be scheduled with club members and leaders to determine an agreed upon plan of action when a club receives a "not in good standing" designation.

4-H Youth Enrollment/Membership:

1. Cloverbud members: Youth in 5 year old kindergarten, first and second grades may participate in the Cloverbud program and may only enroll in the Cloverbud Project. The Cloverbud program is not competitive. Cloverbud record books are encouraged but not required. Cloverbuds are encouraged to participate in age appropriate club and county activities and may vote.
2. Exploring members. Exploring members are typically in 3rd grade. These members are encouraged to participate in educational and competitive events in most project areas. They must adhere to all policies and program safety

regulations as outlined by the Wisconsin 4-H Youth Development and Columbia County 4-H.

3. Members in 3rd grade are encouraged to enroll in a maximum of two projects.
4. Members are encouraged to re-enroll by November 1st.
5. Enrollments are taken at any time, however, enrollment and project selection must be in by November 30 to exhibit as a 4-H member in the Junior Class at the current year's Columbia County Junior Fair.
6. Members may drop projects until May 1st. Members need to inform their General Leader and the Extension Office if they wish to drop specific projects.
7. The deadline for Columbia County 4-H members to switch from one Columbia County 4-H Club to another Columbia County 4-H Club is May 1 with notification by the family to the Extension Office and the General Leaders of both 4-H Clubs.
8. A member assessment of \$5.00 is paid by each Columbia County 4-H member to the Columbia County 4-H Leader's Association. Each club establishes a policy for paying the member assessment. (\$1.50 supports the Wisconsin 4-H Foundation and \$3.50 supports county 4-H programming.)
9. Columbia County 4-H members must be enrolled in a specific project (or related project) in order to participate in project related competitions and contests. Non 4-H members may participate in educational activities if they are required in order to show at the Columbia County Junior Fair. Clubs and county project teams may offer community-wide invitational events. Non 4-H members participate in camping programs, robotics and county Cloverbud activities.

Financial:

1. The 4-H Leader's Association will pay ½ the cost of one award trip granted through the Member Evaluation process per member annually. Members may attend each experience only one time. An exception will be made for a member selected to attend National 4-H Conference. The Leader's Association will pay ½ of the member's financial responsibility for National 4-H Conference. The member may choose to attend one other trip, with 4-H Leader's Association support, in the year they are selected for the National 4-H Conference.
2. If a member does not wish to complete an awards application, he/she may choose to attend State 4-H and Youth Conference and/or Chicago Daze by paying the entire cost.
3. The 4-H Leader's Association will pay \$75.00 per member per year for approved 4-H opportunities not granted through the member evaluation process per reimbursement procedure.
4. The 4-H Leader's Association will consider reimbursing the cost of training meetings and workshops attended by leaders and junior leaders. The participant must identify how the training will benefit the Columbia County 4-H program.
5. The 4-H Leader's Association will pay for 4-H leader literature.
6. Funds raised by committees for program use will be held in a restricted fund within the Columbia County 4-H Leader's Association for their use. If a committee has restricted funds and is not active for a period of three years, the restricted funds will be absorbed back into the 4-H general fund.

7. Money budgeted to county 4-H committees will be used first, followed by any money raised by specific groups. Budgeted money not used by a committee during the current 4-H year will return to the general fund. Money raised by the group and held in a restricted fund will carry over to the following year.
