General Information

Parent/Guardian Behavior Expectation

Parents and guardians are expected to behave in ways that promote positive role modeling for all youth. If 4-H youth development staff have reason to believe a youth or a parent/guardian has engaged in reckless or disruptive behavior at a 4-H meeting or event sponsored by UW-Madison Division of Extension or engaged in behavior at any time that constitutes criminal child abuse or neglect, that educator will inform that youth or parent/guardian of his/her reasons for that belief and direct that individual not to attend 4-H meetings or events sponsored by UW-Madison Division of Extension. Such a youth or a parent/guardian may not attend 4-H meetings or events sponsored by UW-Madison Division of Extension until such time as the youth or parent/guardian provides reliable evidence that he/she did not engage in such conduct.

Age of Enrollment

4-H membership is open to all youth beginning in 5K (five-year-old Kindergarten) through one year beyond high school graduation and not to extend beyond the age of 19 as of January 1st of the current enrollment year.

State 4-H Arts Groups

10 Things You Need to Know about Wisconsin 4-H State Teams

Three State 4-H Arts Groups are formed every year to give 4-H youth the opportunity to develop their artistic and leadership skills. They then have the opportunity for real-world applications of these skills at the 4-H and Youth Conference and the Wisconsin State Fair.

4-H Drama Company creates a stage performance involving acting, song and dance in the five days leading up to 4-H and Youth Conference. Show content is a collaborative effort between company members and their director. Each Drama Company member contributes ideas for the show and works with the group to problem solve issues on the set and in the script. Drama Company takes their show on to the Wisconsin State Fair where they perform for fairgoers from across the state.

4-H Art Team creates artwork around the theme of the Wisconsin 4-H and Youth Conference as well as designing and organizing the WI 4-H and Youth Conference art exhibit, reception and guided exhibit tours. The team members also teach seminars and train to be peer leaders for county and regional events including the Wisconsin State Fair. The 4-H Art Team is led by a professional artist who teaches team members artistic techniques using a variety of mediums.

4-H Communications Team tells the Wisconsin 4-H story using multiple forms of communication, including: photo, video, social media, blogging and writing about club, county and state 4-H events. Team members develop a mixed-media presentation for delegates attending the Wisconsin 4-H & Youth Conference, as well as taking photos and videos of performances. They create promotional video clips for 4-H & Youth Conference and write articles about 4-H events. Communications Team members learn an abundance of problem solving, writing, photography and leadership skills as members of their team.

Application Deadline: December 20, 2019.

2020 Quiz Bowl & Skill-a-Thon

WI State 4-H Livestock Quiz Bowl & 4-H Skillathon Contests – March 7, 2020

These contests will be held together at UW Madison Animal Sciences Building, Madison, WI. Deadline for registration is Feb. 21, 2020, 5 p.m. Teams are encouraged to participate in both contests as they will be occurring at the same time. Teams are divided into three age divisions and teams can consist of 3 or 4 members. The junior division are youth who are under 14 years of age as of Jan. 1, 2020. The senior division are youth who are all 14 years of age or older as of Jan. 1, 2020. A mixed team must contain at least one youth from each age division.

Livestock Bowl is a quiz competition where all the questions are about beef, sheep, swine, and meat goat topics and students use a buzzer in order to answer the questions. Teams compete in a double elimination format by giving oral answers to questions posed by a moderator. Each match has both an individual and toss-up question round. The winning 4-H senior team will represent Wisconsin at the National 4-H Livestock Quiz Bowl competition in Louisville, KY at the North American International Livestock Exposition.

Skillathon contest is made up of a written quiz and learning stations such as breed identification, feed identification, equipment identification as well as some team activities such as demonstrating evaluation skills. The top Senior level 4-H team will represent Wisconsin at the National 4-H Skillathon Contest, held each fall in Louisville at the North American International Livestock Exposition. Competition in Quiz Bowl & Skillathon encourages members to develop a more complete knowledge of animals and related subjects. This contest provides an educational program for all project members, including those who may not own a project animal, and provides a way to develop self-confidence. If interested in participating with a Columbia County 4-H team, please contact Cara Cross at mccross12@gmail.com or 608-697-2352.

FRIENDS OF 4-H

The Friends of 4-H Volunteer Awards are given annually to a 4-H Leader(s) for outstanding contributions to 4-H on the County level.

This year's recipients are: **Angie Koss & Jenny Baerwolf.** These two volunteers have spear-headed the Columbia County Cottontails as a team for the past several years. Their hours of organizing committee project meetings, fun matches and County fair displays have helped make the Columbia County rabbit project even more educational. **THANK YOU, ANGIE & JENNY!**

The **Friend of 4-H Appreciation Awards** are given annually to a person or business outside of 4-H for outstanding contributions to the Columbia County 4-H Program.

The Columbia County 4-H Leader's Council has chosen Keith Gundlach and the Columbia County Health Care Center as this year's recipients.

Pictured L-R: Medora Richards, Hannah Heider, Keith Gundlach, Jen Martens, Jamie Williams

Mr. Gundlach has served as a Columbia County Fair crops and soil science superintendent for years and was instrumental in developing the Columbia County Fair Foundation. He also recently retired from teaching at Randolph High School. **THANK YOU, KEITH!**

The Columbia County Health Care Center with Amy Yamriska, Director, and its staff are being recognized for their support of 4-H programs. Numerous County level committees and project groups hold meetings in the basement meeting room there and all are warmly welcomed. THANK YOU, COLUMBIA HEALTH CARE!
