UW-MADISON EXTENSION

Idea Sharing for 4-H Club Work During a Pandemic

Can't visit a senior residential center due to the pandemic--The residents there would still benefit from "seeing" you. Why not contact the coordinator of the facility and see if a wall in their facility could be used to post a display of your 4-H membership and their project work. When approved, each member could create a poster of his/her 4-H work and then all posters could be collected and then shared with the facility for the residents to enjoy. If your 4-H club or group hosts a virtual event, please share the success with Pat Wagner and she will share out to others who are looking for ways to keep the 4-H Clover growing in Columbia Co.

Virtual Meats Judging Contest

Juniors (ages 8-13) and Seniors (ages 14-19) are invited to register as individuals to participate and display their meats evaluation skills in this competitive educational experience. Youth will enter placings through Judgingcard.com. Seniors will present oral reasons for one set via Zoom. Juniors and Seniors will also answer questions. With the cancellation of all national 4-H livestock judging contests in 2020, these will be stand-alone, non-qualifying state educational contests. **No cost to enter! Registration deadline is November 16 and is available [HERE](#)**

The poster features a dark blue background with five circular icons at the top: a ribbon, a pig, a stack of meat cuts, a cow, and a pencil. The text is centered and reads: "THE 2020 WISCONSIN 4-H VIRTUAL MEATS JUDGING CONTEST Sunday, November 22nd, 2:30-6:00pm". Below this, it states: "THIS VIRTUAL CONTEST WILL TEST THE KNOWLEDGE OF YOUTH IN PLACEMENT OF CARCASS AND RETAIL CUT CLASSES, CARCASS GRADING, AND RETAIL CUT IDENTIFICATION". At the bottom, it says: "No Cost to Enter! Registration open to all youth including 4-H and FFA members. Register by Nov. 16: tinyurl.com/WI4HMeatsJudging". A QR code is located to the right of the registration information, with a "REGISTER HERE" button below it. Logos for Wisconsin, FFA, Wisconsin Youth Livestock Program, and Meat Science are at the bottom.

4-H Clubs Ringing Bells for the Salvation Army Continues To Be A Community Service Option

by MATTHEW C CALVERT, Wisconsin Positive Youth Development Institute Director

There have been some questions about whether 4-H clubs and groups selecting bell ringing for the Salvation Army would be in conflict with our policy which states we are focused on education and not advancing a particular religion (*you can find this information pasted below*). In this case, the Salvation Army states as its goal to meet human needs without discrimination. 4-H members choosing to participate in bell-ringing as a community service option would be allowable within our current policy.

These are challenging questions to navigate, as they involve many factors to consider, including member choice vs. requirements, clear roles in fundraising for other organizations, and non-discrimination policies of partners.

Please continue to reach out for guidance as you run into questions about policy interpretation and about practices that may hinder an inclusive program environment. This is also an opportunity to emphasize service-learning and the alignment of club activities with our shared goals.

- **Youth Voice and Leadership:** Are youth leaders involved in identifying issues they want to address and planning the response?
- **Supportive Relationships:** Do service-learning opportunities create opportunities for building ongoing relationships with other youth and adults in the community as well as creating opportunities for bonding within the group?
- **Post-Secondary Pathways:** How are youth learning about career and lifelong service opportunities?
- **Expanding Access:** How do service opportunities create opportunities for others to participate in 4-H? How do we remove barriers to all youth benefitting from service-learning opportunities?

Policy: Religion and Wisconsin 4-H

As a program of the University of Wisconsin – Madison, Wisconsin 4-H prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, and marital or family status. As a result, 4-H programs are focused on education and must not advance a particular religion. Explicitly or implicitly requiring religion or religious practices as a condition for participation in 4-H club meetings creates a barrier for participation and is prohibited.

Extension Program Guidance & Approval Forms For Face-to-Face Gatherings

Whenever people are gathering in the name of 4-H, there needs to be an approved plan. 4-H members and leaders may be allowed to hold face-to-face gatherings in pods of 10 people or less and up to 50, but only if pods of 10 or less are arranged for. To accomplish this and receive approval, the following steps **MUST** be taken **BEFORE** the gathering occurs. Please request an Extension Program Guidance and Approval form from Pat Wagner and complete and return to her. Wagner will then submit the form to the *workflow* for approval by the UW-Madison Division of Extension 4-H Positive Youth Development Program. Once approval is received, the gathering may proceed. Following the gathering, a contact log must be submitted with names of all who were in attendance. If you have questions, feel free to contact Pat Wagner at 608-742-9685 -- pat.wagner@wisc.edu.
