

To All Columbia County 4-H Families and Others

From: Pat Wagner, 4-H Positive Youth Development Educator, Columbia County

**Wednesday's Word
From Pat!**

Columbia County 4-H Virtual Learning Opportunities this spring involved a number of individuals who helped to make them successful. Hat's off to Mary Becker, 4-H Cloverbud project leader, who taught several Virtual Cloverbud meetings from January through April. Also, thanks to the 4-H Ambassadors (Alyssa Frisch, Jimmy Heath, Amelia Heider, Hannah Heider, and Medora Richards) who led fun, warm-up activities at several of the Cloverbud Virtual meetings. Thanks also to the 4-H Ambassadors for teaching another successful 4-H Record Book session last weekend. And thanks to DeAnn Richards for her continued guidance of the 4-H Ambassadors team. Finally, thanks to Becky Gutzman who taught the 4-H Fun with Foods Virtual Session last week on Cookies.

I've received a number of program planning forms for in-person meetings here in Columbia County 4-H. It is exciting to watch 4-H here continue to find more ways of meeting in-person to do what we do best – Make the Best Better!

Warmer weather is coming (again) and so are more opportunities to meet together. Don't hesitate to contact me and work through your thoughts. We'll get the plans on paper and find ways to gain approvals. Your 4-H clubs will be meeting in-person soon, if they aren't already. And.....that is "Wednesday's Word From Pat!"

Sincerely,

Pat Wagner, Columbia County 4-H Positive Youth Development Educator

4-H Eat Stand – Willingness to Work in the 4-H Eat Stand at the Fair

Discussion at the Columbia County 4-H Leaders Council meeting last week related to the Columbia County Fair also included expressed concerns about the 4-H Eat Stand. Extension Guidance will require wearing face coverings and social distancing in the 4-H Eat Stand as well as good hygiene. That said, enough concerns were raised so a survey was created and has likely already been shared with you. However, if you have not had a chance to respond to the survey, **please find a Google survey here and your input is welcomed.** Thanks!

4-H Educational Travel Opportunities Emails Coming To Your Email Boxes

Several opportunities have just been announced by the Wisconsin State 4-H Office and you will be receiving email information next week related to them. The Columbia Co. 4-H Leaders Council discussed this and they support offering sponsorships to youth who might apply to attend. An application process for these Columbia County sponsorships will be shared next week as well. Note: If you were selected to participate in any of these opportunities in 2020, you will have the first right of refusal for sponsorship from the 4-H Leaders Council (as long as you still meet the eligibility requirements at the time of the program). Watch for details related to the following:

- Virtual Citizenship Washington Focus – organized by the National 4-H Council
- Regional Youth Conference – to be held in-person at 6 or more sites across Wisconsin
- National 4-H Congress – planned to be in-person in November in Atlanta, GA

Columbia Co. Livestock Committee and Columbia Co. Fair Board Plan Auction

The Columbia Co. Livestock Committee will meet again, in-person, at the Columbia County Fairgrounds on **May 25** at 7 p.m. to review details and finish preparing for the livestock shows and auction. All interested are encouraged to attend. The Columbia Co. Fair will host in-person livestock shows and an auction; however, no pre-fair ID will be required for swine, sheep, and goats. Animal ID will be requested on the fair entry forms so all animals must have a form of identification when they arrive at the fair.

4-H Member Graduation Form

Graduation for 4-H members is recognized each year. Please click the link below to complete the Google form, include a photo of yourself and submit or print off the Google form & mail to: Columbia County Extension, 112 E. Edgewater St., Rm.

212, Portage, WI 53901. If you have any questions, please call the Columbia County Extension office (608) 742-9680. <https://forms.gle/43ayYoBb1c2jhnVr9>

Dairy, Livestock & Meats Judging Contest Dates For June, 2021

The Wisconsin Youth Livestock Program is working with Jefferson and Marathon counties to organize the state level contests for Dairy, Livestock and Meats Judging Contest in June. All 4-H online families will receive email information soon.

Contests Scheduled on the following dates are:

Marathon County State Dairy Judging Contest = June 16 (one of two)

Jefferson County State Livestock Judging Contest = June 22 (one of one)

Jefferson County State Dairy Judging Contest = June 22 (one of two)

State Meats Judging Contest Date and Location in June = To Be Announced Soon

Check the Wisconsin Youth Livestock Program details and contact Pat with interest in participating. Columbia Co. 4-H traditionally sends teams to these judging contests.

Wisconsin State Fair Changing Fair Entry Process for Youth Expo in 2021

Wisconsin State Fair will continue to display projects in the Youth Expo Building at State Fair Park, but differently. State Fair has opened up opportunities for all Wisconsin youth, 12 and older, to self-nominate their projects in the Youth EXPO building. Projects will no longer be selected at the county fair in July and then displayed at the State Fair the same year in August. To find out more about this self-nomination process, go to the Wisconsin State Fair website at

<https://wistatefair.com/competitions/youth-expo/>

Note: Top award-winning projects at the 2021 Columbia County Fair will continue to be awarded Merit award ribbons. Exhibitors of those 2021 merit award winning projects will then be encouraged to make a self-nomination to next year's Wisconsin State Fair. Exhibitors will also need to make their own entries on the State Fair website next year.

Wisconsin 4-H Hall of Fame Nominations Are Open Through May 20th

Columbia County 4-H is a strong program and that is due to the many youth and adults who work together to "Make The Best Better!" We need your help in nominating prospective honorees for induction into the 2021 Wisconsin 4-H Hall of Fame. Give some thought to who you would like to honor and talk to others to get the ball rolling in your county! You will find the nomination form attached. Review the criteria and enlist any help you may need in writing up a nomination or talk to your agent and set out on your own. The deadline for receiving nominations is **May 20, 2021.**

If you have nominated someone in the past and they were not selected to be inducted, it is fine to submit them again, but you must refresh the nomination, carefully considering the criteria. Laureates will be notified in late June if they have been selected for induction next fall. Thank you for your help in finding those special 4-H people to receive this honor!

Get Involved in the Plarn Mats 2021 Service Learning Project

Did you know about one trillion single-use plastic bags are used every day in the U.S? That's according to EarthDay.org. And many in our community are experiencing homelessness. We've created a service project to reuse plastic bags and to help the community. It's the 2nd Annual Wisconsin 4-H Service Learning Project.

Youth can take part in the Plarn Mats project. Plarn is plastic yarn, made by looping plastic bags. The plarn is then crocheted together to create a mat. The mat can be used to lie on or to help with warmth.

Youth of all ages can participate in the project. If you work with a group of youth who are interested in doing a service-learning project, please visit the Plarn Mats Service Learning Project resource website at <https://4h.extension.wisc.edu/4h-resources/plarn-mats/>

4-H Rules for Gathering / Meeting Are Changing Beginning April 1

Program Guidance Update from the Wisconsin 4-H Program and Positive Youth Development Institute:

- Events held April 1 - June 1 have new guidance
- Read and talk with your county 4-H Extension professional if you have any questions.
- Continue to submit Extension Program Guidance and Approval checklist with support of Extension staff
- **Read the updated FAQs** with changes effective April 1st. You can find the FAQs at <https://4h.extension.wisc.edu/4-h-faqs-related-to-covid-19/>

What is changing April 1?

1. Number of people who can be at events or programs is increasing
 - 30% of room capacity with a maximum of 50 people allowed indoors
 - 150 people allowed for outdoor programming
2. Pod Size increasing to 20
 - Groups of 20 or fewer can meet together.
 - For example, a club or committee with 20 or fewer people
 - If you have 21 or more people you will need to break into groups.
 - For example, 34 people at a workshop could meet in a group of 17 and 17 OR any combination that is less than 20 per group.
3. Maximum length of indoor events increasing to 4 hours

What continues after April 1?

- Continued Use of Face Coverings
- No Eating Indoors
- Physical Distancing (6 ft between members outside household; 20 ft between pods)
- Hand sanitizing/disinfecting requirements
- When there is more restrictive local guidance we must follow that rather than our guidance.

Extension Program Guidance & Approval Forms For Face-to-Face Gatherings

Whenever people are gathering in the name of 4-H, there needs to be an approved plan. Please request an Extension Program Guidance and Approval form from the Extension Office or find it on the Columbia County Extension website under 4-H Forms. Then, complete the form and return it to Pat Wagner, who will then submit the form to the *workflow* for approval by the UW-Madison Division of Extension 4-H Positive Youth Development Program. Once approval is received, the gathering may proceed. Following the gathering, a contact log must be submitted with names of all who were in attendance. If you have questions, feel free to contact Pat Wagner at 608-742-9685

2021 Columbia Co. Fair – July 18-25 – “A Fair To Remember”

Youth and adults should plan for the opportunity to exhibit their animal and non-animal projects in much the same way as they have in the past. There will be some COVID guidance required. Fair Entries will open in early May. Watch for the entries link in next week's Columbia County 4-H Weekly Update. Details will continue to be shared as they are available and will be released here, in the 4-H Weekly Update, and on the Columbia County Fair—Portage, WI 53901 Facebook page. The Columbia County Fair website is currently under construction. Questions can be directed to the Columbia County Fair phone at 608-697-5043 or to Marianne McMillan at 608-697-1152.

NOTE: The 2020 fair premium list will be used for the 2021 Columbia County Fair. Paper copies are available at the Extension Office today.

Planning Continues for the 2021 Lodi Ag Fair – September 2-5

Details continue to be worked out around scheduling of judging, entertainment and more for the Lodi Fair in September. Youth and adults should plan for the opportunity to exhibit their animal and non-animal projects. Watch the 4-H Weekly Update, the Lodi Agricultural Fair website <https://www.lodiagfair.com/> and the Lodi Agricultural Fair Facebook page for details as they are released! Questions can be directed to the secretary@lodiagfair.com.

The NEW 2021 Columbia County Plat Book Is Here

Mapping Solutions delivered the “NEW” plat book which is sponsored by the Columbia County 4-H Leaders Association as a fund raiser for that organization. Plat Books will cost \$35 and are available at the Extension Office, Johnson Sales (Arlington) and the Farmers and Merchants Union Banks of Columbus, Friesland, and Fall River. The new plat book includes aerial photos of every township of the county in addition to the usual plat maps of each township. Get yours today and support Columbia County 4-H in the process. These make great gifts for friends, family and neighbors! Please note: You may have received a post card from a competitor’s plat book. If you’re in the market to purchase a plat book, we hope you’ll support 4-H and purchase the Mapping Solutions plat book. It includes the aerial photos (new in 2021) and plat maps just like our competitor and funds raised help support Columbia County 4-H programs.

Check Out The New Wisconsin 4-H Website

It's new! It's full of information! Find it at this link! <https://4h.extension.wisc.edu/>

June 2021 Explore 4-H At Home Project Kits – Registration for June ENDS 5/15!

Can't have an in-person 4-H project meeting, but still want to learn through 4-H. Why not sign up for one of the **Explore At Home 4-H Project Kits**? Columbia, Dodge and Sauk County 4-H Educators have created them just for you! There will be 3 kits created for each of the first 6 months in 2021. Each kit will include the supplies necessary to complete the learning experience in your home for the fee listed on the registration form. Sign up is open until May 15th for the June kits. The June, 2021 project kits are described below. Register now at <https://forms.gle/aHXqAZvWcYZsUP827>.

- **Sewing and Textiles—June 2021**

Using the 4-H STEAM Clothing series from University of Nebraska at Lincoln, we will explore some basics of sewing. Projects will be introductory sewing and will require users of this Explore 4-H Project kit to use their own sewing machine. The “Let’s Sew!—A Beginner’s Sewing Guide” by Nancy Zieman will also be referenced. There will also be a Halloween textiles project that will not require the use of a sewing machine, but rather will use skills for following instructions and using tools to cut and create with deco mesh.

- **Cloverbuds—June 2021**

Here comes SUMMER - let’s get outside and EXPLORE! The June Cloverbud Explore kit will be full of activities to explore nature. You will go on a scavenger hunt for signs of wildlife, learn to identify different types of birds and plants, collect objects from nature, learn how seeds travel, and create some fun nature inspired art pieces.

- **Animal Science—June 2021**

Using the Veterinary Science Project curriculum, we will explore what you need for animals. From their basic needs, to body language and some areas in between. No matter what kind of animal you may have this information can be helpful to learn. You may also get some ideas for non-animal exhibits for the fair.
