4-H IS . . .

-  ...groups of boys and girls meeting together to try out new ideas with the help from parents, interested adults and older youth leaders. 4-H takes place in meetings, project groups and special activities and events.
-  ...about life skills. 4-H helps youth develop life skills such as communicating, decision making, problem solving, interpersonal relationships and citizenship.
-  ...helping kids become better members of their families and communities.
-  ...happening everywhere. It is in the city, suburbs, small towns and on farms and ranches. The 4-H program is open to all who wish to participate without regard to race, creed, sex, marital status, handicaps or disadvantages, economic or ethnic backgrounds.

There are many exciting 4-H events and activities you can get involved in throughout the year, including projects, drama festivals, style revue, animal judging, camps, fairs, community services, exchanges, speeches & demonstrations.

4-H'ers can stay involved for years because there are many things for older members. Teens are counselors at 4-H camp; teens exchange ideas and make new friends each June during State 4-H Congress at UW-Madison; teens enjoy 4-H educational trips to Washington D.C. and leadership camps. Some even travel overseas for 4-H international.

THE 4-H PLEDGE:

"I pledge...

My **H**ead to clearer thinking...

My **H**earth to greater loyalty...

My **H**ands to larger service...

My **H**ealth to better living...

For my club, my community, my country and my world."

clear thinking (head)

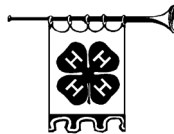

The four H's represent the four points of the pledge:

greater loyalty (heart)

larger service (hands)

better living (health)

WHO CAN JOIN 4-H?

Any youth Kindergarten through one year after High School Graduation.

In the early years, 4-H was a program just for farm kids. Not so today...4-H is for everyone! Boys and girls in town can enjoy 4-H as much as youth in the country. Over one-half of the 4-H participants now live in larger cities, one-fourth live in towns and rural areas, and less than one-fourth live on farms!

4-H is open to anyone regardless of race, color, creed, sex, national origin or handicap.
