To Show A Horse At The Columbia County Fair

For all those planning to show a horse at the fair, CCHP(Columbia County Horse Project) is a chartered group under Columbia County 4H Youth Development. We have officers and hold general meetings, clinics, shows and fundraisers. To show at the fair you must be a member in good standing with CCHP. Any inside exhibits such as model horse, educational displays and horse clothing are exempt from the following requirements.

Here are our requirements to be a member in good standing;

- Attend 1 general meeting, except grade 13 members are excluded.

January through April meetings are the 4th Monday of the month at the Rio Library at 6:30pm or 6:45pm based on date, see 2025 schedule. May and June meetings are usually held during lunch break at a clinic.

I have done this.

- May 1st paperwork deadline

Hand in a current negative coggins and horse ID form for up to 6 horses, a signed Code of Conduct and liability release form prior to May 1. Members may replace an ID project horse up to July 15. See guidelines for details.

I have done this.

- Attend 2 clinics, 1 with a horse.

Must attend any two (2) county sponsored clinics for the current year's schedule, one clinic must be attended with a horse.

I have done this.

- Fee \$50 per single family member, max of \$100 per family

We are financially self-sufficient with the exception of the model horse show, clothing and educational displays at the Columbia County Fair. The fair pays for the judge and ribbons for those. CCHP pays for all other judges, awards, clinicians and fees related to the horse projects. Due May 1st.

I have done this.

- Volunteer Time

Each member must put in 4 hours, max of 6 hours per family, (2 or more members in a family), of volunteer time. Any family member or friend can do the required time. Volunteer opportunities include working at one of the shows. There are many slots to fill at each show, most are 2 hours in length, some are 4. We host 4 shows usually, the team fundraiser show, schooling show(clinic), pleasure show and speed day at the fair.

I have done this.

Each member/family is responsible for signing in at meetings and volunteering to receive credit.

OVER

***** End of requirements*****

- **Each family is asked to serve on a committee.**

It's a lot easier if we all share the work. Here are the choices: fundraising, show, awards, volunteer, building and grounds.

Any families wanting a mentor to help you through the requirements....just ask!

CCHP does run a highpoint system for attendance at meetings, special events and clinics. Awards are given at the banquet in November.
