AWARD REQUEST FORM

Columbia County 4-H award recipients receive an 8" x 10" recognition plaque. New award recipients also receive a name plate with the plaque. Each year selected 4-H members can receive a disc with the year on it for project and overall record book awards and for pre-determined non-record book awards*. Each plaque will hold 18 discs. If your award plaque is full and you need another plaque and name plate, or if you did not receive a non-record book award disc and should have, please return the form on this page or e-mail the information to Sarah Millard by September 1st, so an order can be placed.

**Non-record book award discs are given to Ambassadors, Camp Counselors, County Team Members (judging/skillathon/bowl), Elected Youth Representatives, Trip Award Recipients, and Self-Achievement Awards. Self-reported.*
